## WICHITA MARKETS.

**Receipts of Live Stock at the Union Stock Yards for 24 hours—360 cattle, 815 hogs, and for the week just closed, 1,770 cattle and 9,783 hogs. A gain of 249 cattle and 1,520 hogs over last week. The cattle receipts today were composed mostly of Texas cattle which arrived too late for the market and will be held over. Very few cattle about 60 head—changed hands today. The market was steady to strong, and more good cattle would have sold at firm prices. Hogs were in good supply for closing day. The packers could not get things in readiness for starting up today, consequently only a few hogs changed hands. It is quite probable they will start up Monday, although it is not very certain. Tuesday will, without a doubt, find everything in running order again.**

## WICHITA LIVE STOCK MARKET.

WICHITA, Kan., June 21.

**CATTLE.**  
Receipts 20. Shipments none. The receipts consisted mostly of Panhandle cattle, which arrived too late for today's market. The cattle market was quiet, with a few head of the week, but within the past two days it has improved and prices have advanced about 10c. There is a good demand for native feeding steers and stockers. Good heavy butchers grades sell well. Chicago westerns, with 4000 head, Kansas City has 1200 on sale and closed steady. The only sale of choice cattle was 10 head of stock, averaging 175 pounds, at \$2.25. There was a steady demand at \$2.25. There was a steady demand at \$2.25.

**HOGS.**  
Receipts 515. Shipments 10. The receipts were liberal for closing day. The week's receipts are the largest since early in the history of this market, and had it not been for the large week which caused the packers to shut down and consequently no hogs selling, outside of the few head which were held over from the week before, the receipts would have been the largest in the history of the market. ## THE CURIOSITY SHOP.

A Collection of Fugitive Facts and Out of the Ordinary Information.

In a recent conversation with a representative of The Fall Budget, M. Zola gave a resume of his plan of action when preparing a new work, and observed that before he began to write he lived the life of his characters. In the "Assommoir," however, he had drawn simply and solely on the experiences of his youth, but before penning "Germinal" he spent a year among the miners of Anzin, and he had qualified himself for "La Terre" by residing among the peasants of the Basque and the French.
